

AMERICA 06

carrara & matta

Materiale funzionale, brillante come la ceramica, pratico per ogni esigenza.

America-06 è una serie dallo stile essenziale, ma altamente performante: facile da pulire, in materiale naturalmente antibatterico, è ideale per ambienti ad alta frequentazione, come alberghi, ospedali e comunità, o esposti all'azione di agenti esterni, come imbarcazioni, campeggi, piscine e centri sportivi.

Stylish and functional with a ceramic like finish.

Practicality is a dominant characteristic of this line of accessories: parts are easy to clean, flame and burn resistant, ideal for applications including, ships, campsites, sport complexes and hospitals, thanks to the naturally antibacterial properties of the material.

Funktionalität sowie Form - und Farbgebung passend zu Sanitärfarben.

Funktionalität bestimmt die **America 06** Zubehörline: leicht zu reinigen und zudem antibakteriell. Die ideale Lösung für starke Beanspruchung wie z.B. in Hotels, Sportstätten, Campingplätzen, öffentlichen Gebäuden und Krankenhäusern.

Matériel fonctionnel, brillant comme la porcelaine, convient à tout les besoins.

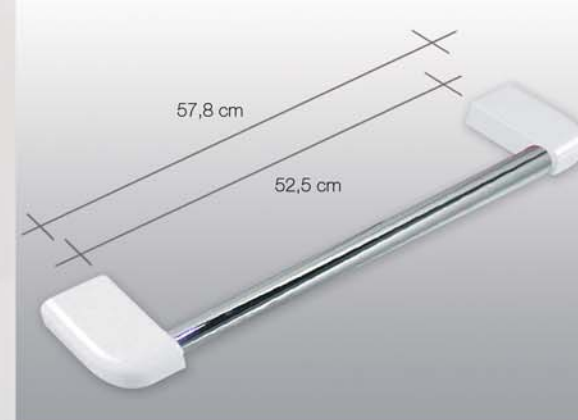

America 06 est une série au style essentiel mais avec des caractéristiques de très haut niveau: facile à nettoyer, fabriqué dans une matière antibactérienne. La gamme est recommandée pour des applications de grand passage telle que hôtels, hôpitaux, Centre Sportif, piscines publiques etc.
